HONORTM -AND- CURSE

■ Honor and Curse is a martial arts inspired story set in feudal Japan. A young shinobi, Genshi Sakagura, is haunted by his tragic past that led to him being adopted by the Iga clan.

Now, his fear is manifesting itself in a supernatural way. Along with these haunting visions, Genshi has gained powers beyond his control. Will Genshi be able to control this newfound power or will he be ostracized by the only people he loves because of it?
