BATTLECATS®

■ After discovering the truth about the second king of Valderia, the Battlecats have been stripped of their titles for disobeying their king, Eramad III. In order to get back in his good graces, they must prove themselves the only way Valderians know how: Battle. The start of Rorinhal is upon Valderia, and Eramad has decided to celebrate by displaying the Battlecats in a very public spectacle all for the entertainment of the crowd. Eramad is trying to prove a point but he has turned a blind eye to Valderia's reality, a powerful menace looms in the west and is bent on destroying the Eramad dynasty.
